Foreword

For many of us who have grown up in this generation, television has become one of the largest mediums of our time. It influences our lives and our ideas, lets us be part of events half way around the world, reaches, and of course, entertains us. Many of us dream of becoming one of the stars on the screen or just meeting the challenge of the many game shows on TV. As life goes on, some may achieve those life-long dreams but for those people whose hopes may be left unanswered, they are ready and willing to meet the challenge to attain them. When we were all very young, many of us watched shows like Sesame Street or our favorite cartoons in the afternoon. Now some of us prefer to watch the classic shows or comedies and still others choose the documentaries or music videos. As a remembrance of our tastes, dreams, individuality, and the challenges of today and tomorrow, the *Legend* chose TV shows as its theme, for it reflects the people we are today and encourages those dreams and fantasies to come true tomorrow.

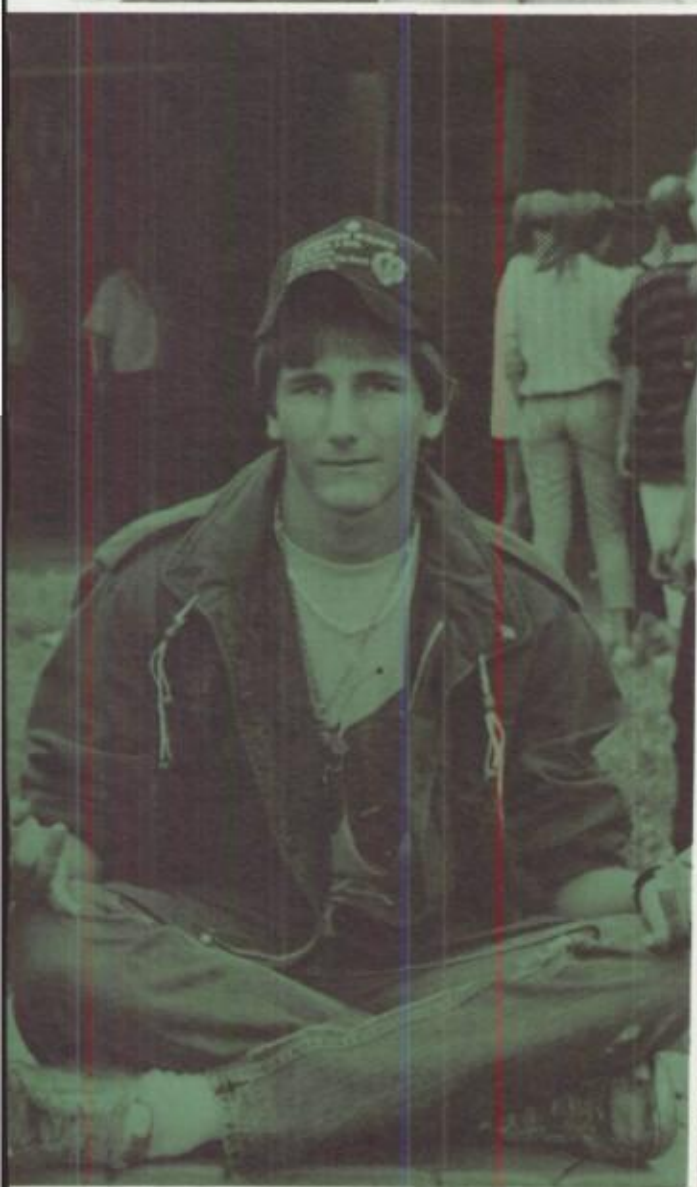

Enthusiastic students ran toward the camera set up in the quad on Oct. 4, 1985. Students got their pictures taken in groups, singles, couples, and of course with lots of friends. We chose the best ones to include in this layout. Open Camera Day was such a success that it is likely to become an ongoing tradition of the El Cajon *Legend*.

People

Lynnea

In the few years we spend as students in high school, we meet many staff and faculty members. There are, however, those teachers whose concern and caring sets them apart in the minds of their students and peers. Once in awhile a teacher may go beyond this concern for their students and become their friend and mentor. The recipient of the 1986 *Legend* dedication is one of those teachers. Her devotion to students is reflected in her enthusiastic teaching, her invaluable assistance, and also in the time and effort she puts into our school newspaper, the *Smoke Signal*. She encourages and pushes her students to make the most of the opportunities that come their way. Lynnea Venieris not only prepares her students for their futures but also teaches them the importance of their high school years. Mrs. Venieris, we students take this opportunity to thank you for everything you've done for us and to dedicate the 1986 *Legend* to you.

Heads on Campus are those students who take charge of their activities, serving their classmates and clubs. All of these student leaders, each different in his or her special way, helped to add to the variety of life at ECVHS. Although some of these extraordinary students were highly visible at school functions and others worked behind the scenes, they all contributed to making life here at El Cajon Valley High more enjoyable.

To Seniors

Visions of the Prom kept the Class of '86 movin'. Senior Committees worked hard this year to make the senior class one of the best. They had many fund raisers which included a leg auction, mistleroe sales, carnation sales and a trip to Magic Mountain. The Class of '86 also brought back senior privileges giving the seniors many priorities such as a senior lunch line, and priority and discounts for many senior activities. Their school spirit and class unity put this class in a class by itself.

Spirit

Spirit Week once again began another exciting year at E.C.V.H.S. Five days of fierce and fun lunchtime competition, which the class of '86 won, served as the basis for the first week of the new school year. On Friday we were treated to a pep and fall sports assembly. Not only did the cheerleaders show us their new routines and stunts but the football team also cheered, chanted and went through some plays. The week ended on Saturday when the El Cajon Braves met the Christian High Patriots on the football field. The loss on the gridiron could not squelch the Brave Pride and enthusiasm which lasted all year.

Week

Cheers

Pyramids, stunts & more pyramids. This year, cheer looked more professional than ever. The squad made up of five Junior and five Senior girls were supported by four very important guys. Keith, Robert, Raleigh, and Aaron were the key to the creative stunts and high rise pyramids. Enthusiastic cheers and catchy steps enthralled all the spectators. Advisor Mrs. Emily Barton, squaw Gitta Gaida and the stunt coordinator Devon Palich completed the squad.

Different Strokes

"A day of cultural experience" that is what Multi-Cultural day was all about. ECVHS students began Multi-Cultural day by piling into the gym for the annual Multi-Cultural assembly. Here students watched as dancers performed the traditional dances of their countries. Lunch was also a special time when various kinds of food representing different countries were set on tables for students to sample. Booths were set up to display the countries' customs, clothes, and beliefs. Multi-Cultural day was a big success and served its purpose to reach students about different cultures.

Kristine, Kristin, Julie, Heather, Robin, and Angela — this was the J.V. Cheer squad of 85-86. From their outstanding acrobatics to their exciting cheers, the six girls were always showing their spirit and pride for El Cajon. This year was a change; instead of having eight cheerleaders there were six including a junior who was added to the team for more stability and two of the guys from Varsity, Robert and Raleigh who worked with J.V. Cheer.

A s s e m b l i e s

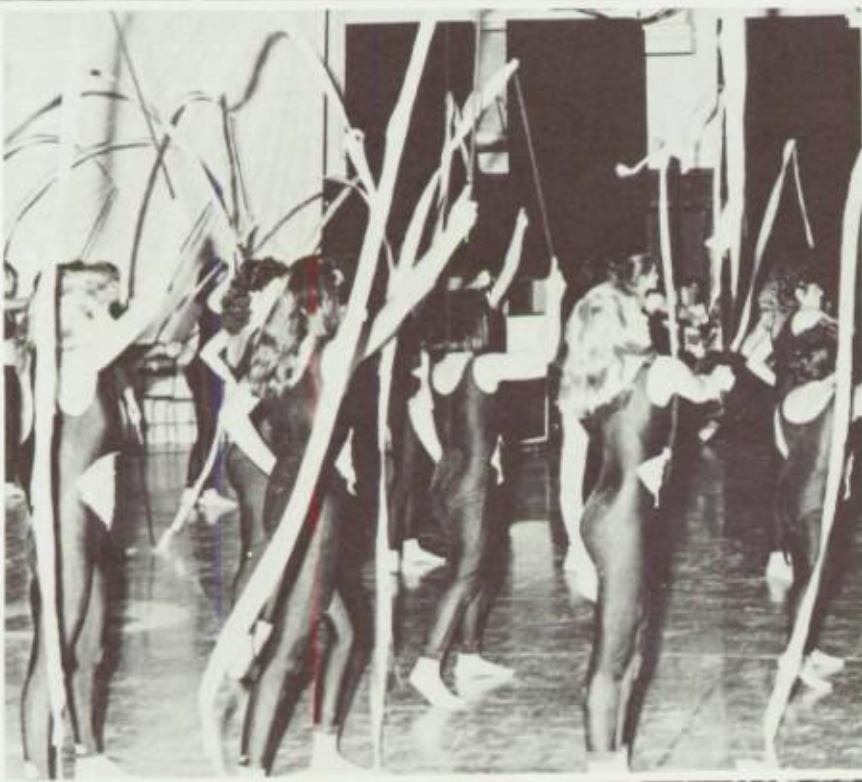

We have assemblies for different reasons at E.C.V. We have them to help us learn of different cultures and see different forms of art. Our performing arts department showed us that in their winter assembly. Most of all, assemblies are the key to bringing about spirit and pride to our students. This year pep assemblies did just that. Students of all the classes were involved in cheering on the teams, and participating in spirit yells led by the cheerleaders.

HALLOWEEN

1985

Hobgoblins, scary monsters and a few supercreeps invaded the classrooms and the quad during the spookiest day of the year. Maybe it was the moon or the time of year that inspired the awesome participation and the festivities at El Cajon Valley High. Everywhere, signs of creativity, strangeness, and more of the strangeness, prevailed in the many bizarre and surprising costumes. Of course, the day could not end without a costume contest which was won by Jason Beaver who was dressed as the popular green clay character, Gumby. With all the ghouls and creatures of the season that showed their spirit by their participation, Halloween was a howling success.

Basketball

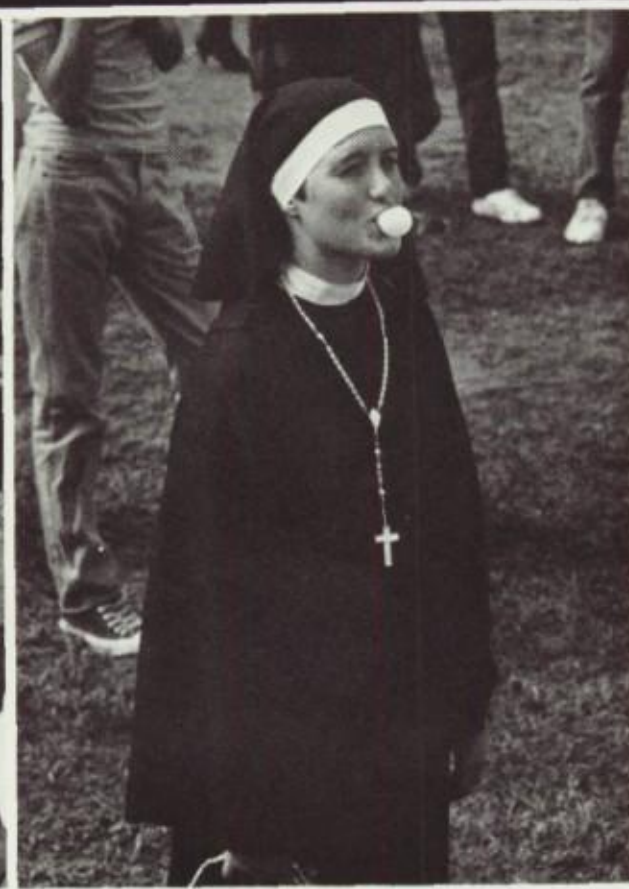

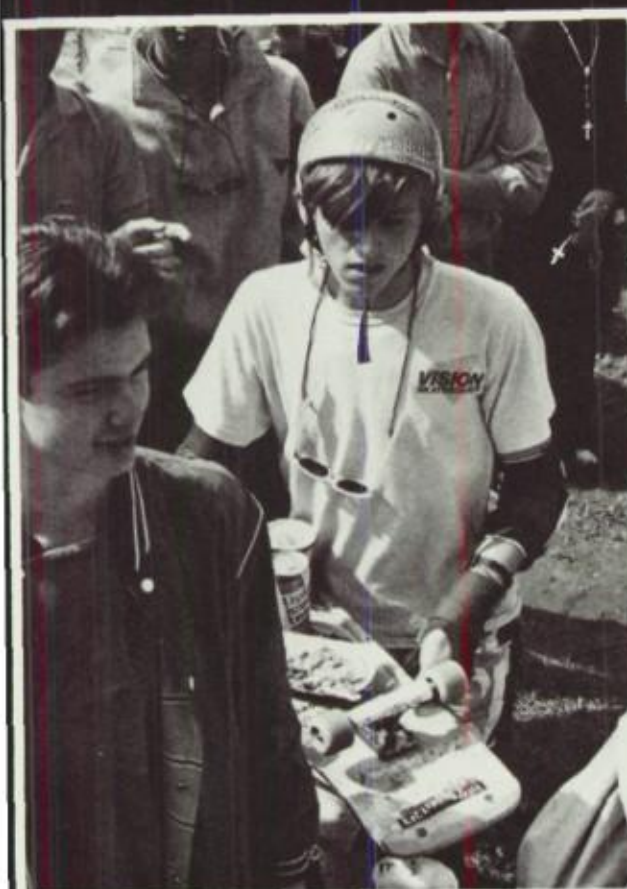

For the first time in ten years, ECVHS students enjoyed the excitement of a Winter Sports Homecoming. The theme of the homecoming, which was sponsored by Pepsi-Cola, was "Winter Royalty". Excitement was heightened by a spirit contest challenge by Santana. Both the contest and the homecoming ceremonies were held at halftime of the boys' varsity basketball game on February 7. Lunch activities throughout the week, and an assembly on Friday boosted spirits. Although Santana won the spirit contest, we put forth a valiant effort. The royalty for basketball homecoming were: King- Juan Zamora, and Queen- Nicole Rudolph.

Dress up days, a spirit filled assembly, and the game were just part of Homecoming '85. Friday's assembly was highlighted by cheering contests between the classes, returning cheerleaders, and alumni speakers Paul Castro and Robin Sanchez. The pre-game show consisted of floats to the theme "Music of the Ages", a marching unit exhibition, and a routine from the Dance Company. Fireworks started off the half time show with a bang, and were followed by the crowning of Homecoming Queen Karyn Sercelj. Homecoming King Donnie Branson was crowned at the dance held after the game at Chuck E Cheese. The loss of the game to Valhalla Norsemen will not keep us from remembering the spirit and joy of Homecoming '85.

Dance: Body and Soul, that was the theme of the 1985-86 Dance Company. This group, composed of 33 outstanding dancers, were all part of Advanced Dance taught by Kathy Lamb. Ms. Lamb taught the dancers the technique and skill they would need to choreograph and perform. Students spent numerous hours of hard work and practice on their own time preparing for the many performances during the course of the school year. Also, the dancers performed a spectacular annual dance concert here at the school. This year, in addition to their usual performances, the company danced at the Homecoming game. Through their many achievements, Ms. Lamb and her dancers truly danced their way to "Fame".

"Entertainment Band

Marking the beginning of the 1985-86 Marching Season, the Band and Specialty Corps performed their competition halftime field show at the 27th annual Band Jamboree. The Jamboree, held at Southwestern College on November 9, consisted of shows done by all of the schools in the Grossmont District. The Braves' Marching Unit performed a new asymmetrical-styled show this year, designed by Mr. Bruce Jamikowski. Mr. Robert Finnin directed the Band and Mr. Jeffry Johnson was the Marching Instructor. The Unit's selections included: *Si Señor*, *Eleanor Rigby*, *Big Noise From Winnetka*, and *What About Me?* As the Band played, the Drill Team and Flag Team performed routines to each of the songs. Solos were played by Rick Fisher on trumpet, and Scott Goodnight on trombone. Once again, the Marching Unit made a fine impression and went on to an award winning season.

Superior! Excellent! These are just a two of the many terms used to describe ECV's 1985-86 Concert Band. Under the direction of Robert Finnin, our Concert Band received 3 Superior ratings at the District Festival which took place at El Capitan High School. Many of the talented students also received excellent mentions for solo ensembles performed at Helix High School. Along with these performances and many others, this year's Concert Band topped off it's outstanding year with the Spring Festival performed at El Cajon Valley High.

The greatest sport event since Wrestlemania. More looked forward to than the Superbowl, the World Series or even the "thrilla at Manila." This year's Donkey Basketball game hit ECVHS like a hurricane. The long awaited rematch since 1984's undisputed last second upset by the students was finally ready to be replayed. The setting: El Cajon's gym. The time: 7:30 p.m., February 28. The teams: Art Pegas and his Flying Faculty vs. Girra Gaida and her Super Senior Athletes. The tension was thick and the game was hard (especially the floor). Bodies flew everywhere and when the dust finally settled, the faculty had avenged their loss by defeating the students 52-26.

Discipline! Participation! Awareness! Interest! These are just some of the many ways the 1985 Cross-Country team became an asset to ECVHS. With the help of some outstanding people including Hau Tan, Sally Meerer, Mike Schweitzer, and Michelle Bryant, both J.V. and Varsity teams were very competitive this year. A great factor this year was the non-stop effort on and off the track. Both coaches Maize and Martinez noticed the improvement and their competitors noticed it also. With all of these factors plus the great talent and coaching, this team was a threat to all they competed against.

El Cajon opened up the 1985 year with the Braves' debut into a new 2A league. Along with El Capitan, Grossmont, and Valhalla, the Braves dug into battle for the new 2A crown. With the dedicated and never-give-up attitude of true Braves, El Cajon hit their league full-speed. The league-leading rushing of running back Frank Dougherty along with the hard hitting tackles of linebackers Matt Hayes and Samir Abasso helped the Braves produce fast and exciting games for everyone to remember.

With the returning talents of last year's Varsity Volleyball team, the Braves earned a winning reputation this year. They worked all year round to make this one of the most successful seasons in years. The one game all Braves are sure to remember was the victory over Granite Hills in which they broke the Eagles' 20 game winning streak. This was a game long waited for by coach Marilyn Mitchell. The excitement of this year's season influenced student involvement and helped set the role for the rest of the year. Their wins gave El Cajon current recognition in their league, and sparked a new outlook for all sports at E.C.V.

Incredible action and suspense this is what water polo produced this year. Seniors Mike Valderama and Page Small provided valuable experience to our young team. Rick King (league-leading goalie) and Joe Le Blanc, both juniors, also gave our team an extra edge.

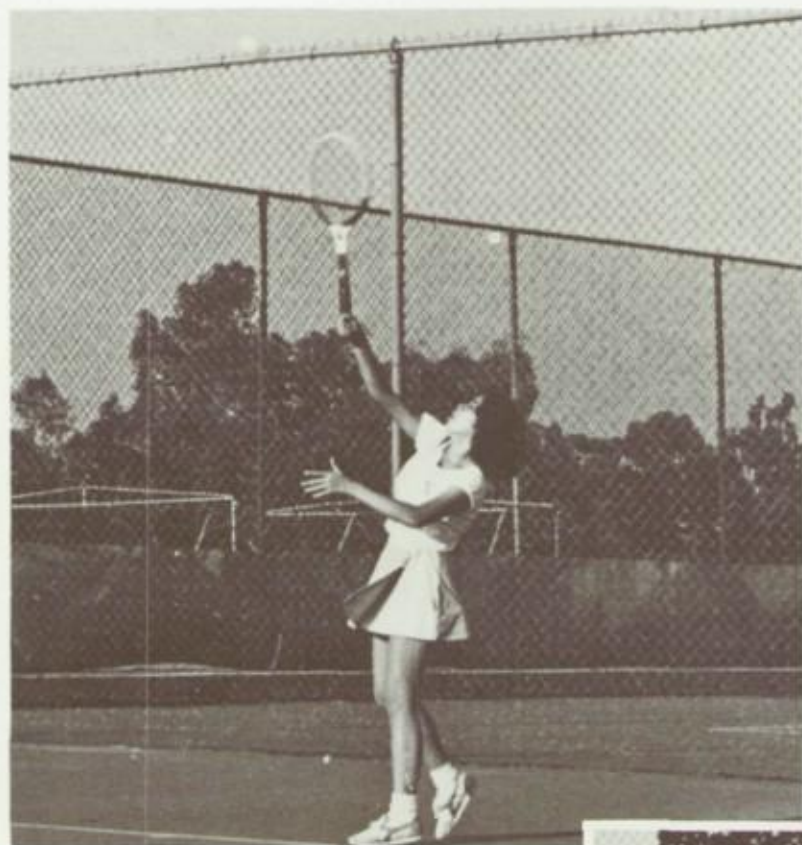

The 85-86 season was a building year. There is much talent on the team that will mature and make water polo shine in the years to come. ECVHS water polo is once again on the rise.

POINT

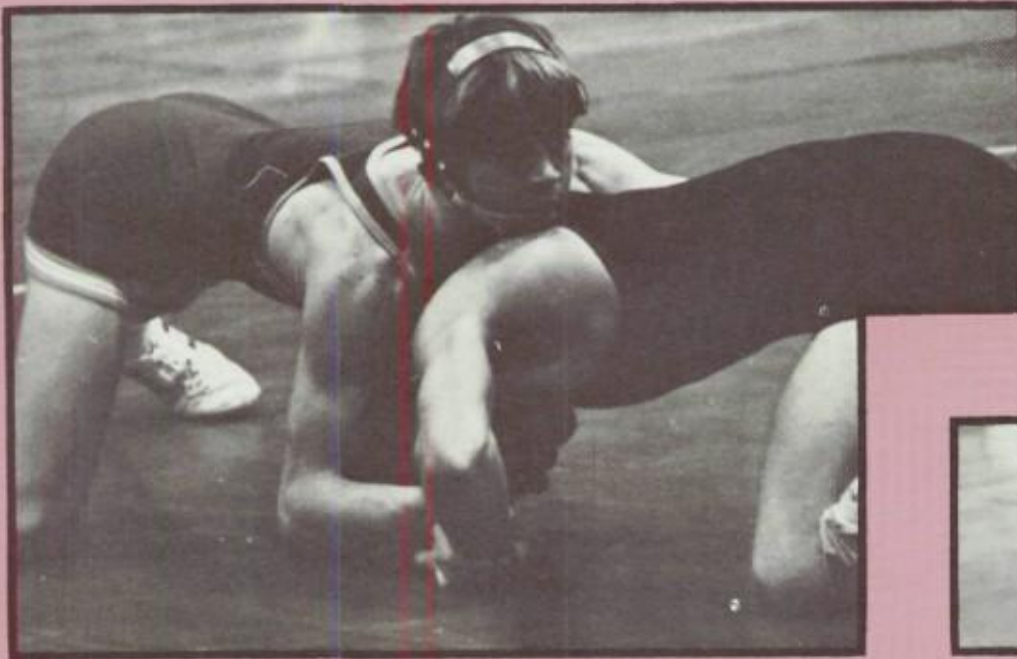

Varsity Wrestling

Hours of hard work, determination, and perspiration go into each minute of competition. The Braves' wrestling program underwent a rebuilding phase this year, but strong performances still came from all levels. Seniors Mike Shrin and Keith Rule returned to put together winning seasons against some very tough competitors. Juniors Doug Sailors and Eric Flippo proved that they, too, could make life pretty painful for their opponents. And sophomore Ron Shrin showed that he has all the makings of a future champion.

While suffering from a lack of experience and depth, the winning spirit remained and the desire to succeed burned strong.

J.V. WRESTLING

Plagued by injuries and a lack of personnel, the Junior Varsity Wrestling Squad faced a serious challenge and proved that they could hold their heads high. Always outnumbered, they spotted their opponents as much as 36 points a match. But those wrestlers that did face a Brave grappler learned the hard way that outnumbered doesn't mean overpowered. Strong performances from Lavel Haag, Tin Nguyen, Lawrence Caire, Chris Weitz, Luis Garcia, Paul Peters, and Tim Stephens proved that the Braves have the material to be a future power.

They're one of a kind! This year's girls' field hockey team was the only field hockey team in the Grossmont League. The outstanding effort put forward by all the team members was certainly rewarded at the end of the season when they beat one of the better teams, Morse High School, by a score of 2-1. There were also three exceptional girls on the team: Shannon Berkshire, who made First Team City Conference, and Cyndi Caire and Cindy Proulx who made Second Team. Under the coaching of Miss Johnston and assistant Danny Martinez, the Braves had an excellent year.

"You gotta dream." This year the Boys' Varsity Basketball team showed great potential. With fourteen boys on the team, half consisted of new faces. Their hard work provided for a good season. "This year's Boys' Varsity was a unique blend of individuals who have dedicated themselves to a team concept," said Coach Randy Robinson. "They worked exceptionally hard during the off season to achieve new heights. Their dedication and enthusiasm made them an exciting team."

Height, speed, and inexperience. These are a few words that describe this year's J.V. Boys' Basketball team. Although, made up of mostly new kids, this year's J.V. team did tremendously well. The innate skills of the team overcame their inexperience, under the direction of Coach Steve Burton and Assistant Coach Ken Gilmore.

Although they lost several of their senior scorers from last year, this year's young team under Coach Heinrichs and with the leadership of seniors Frank Daugherry, Jef Winfield, Donato Garcia, and Victor Garcia, improved upon their record.

"Girls' Basketball"

The 1985-86 Girls' Varsity Basketball team was a team to bear. Strong contenders in the Grossmont League, they finished the year with a good record and a season to be proud of. This group consisting of six seniors and three juniors had the winning spirit and the talent to do it. Supportive leadership from new coach Mike Mathison and Co-Captains Michelle Estrada, a three year varsity veteran, and Michelle White, also a three year varsity player, provided a basis for team unity and confidence. Adding strength both offensively and defensively were juniors Gina "Rambo" Sparks and Robin Hawkins. With teamwork and just plain sweat, ECV's Girls' Varsity Basketball earned a well-deserved outstanding season.

"Shoots For The Stars"

Although wins were not in abundance for this year's J.V. Girls' Basketball team, they kept the competitive spirit and the desire to excel that makes a good, young team. Effort and determination were keys to their season and they never gave up. A team made up of five freshmen, six sophomores and one junior, they gave a promising outlook for ECV's future varsity teams. New coach Kent Holly and Asst. coach Kelly Gilmore proved exceptional teachers of the skills of the game.

Soccer

Girls'

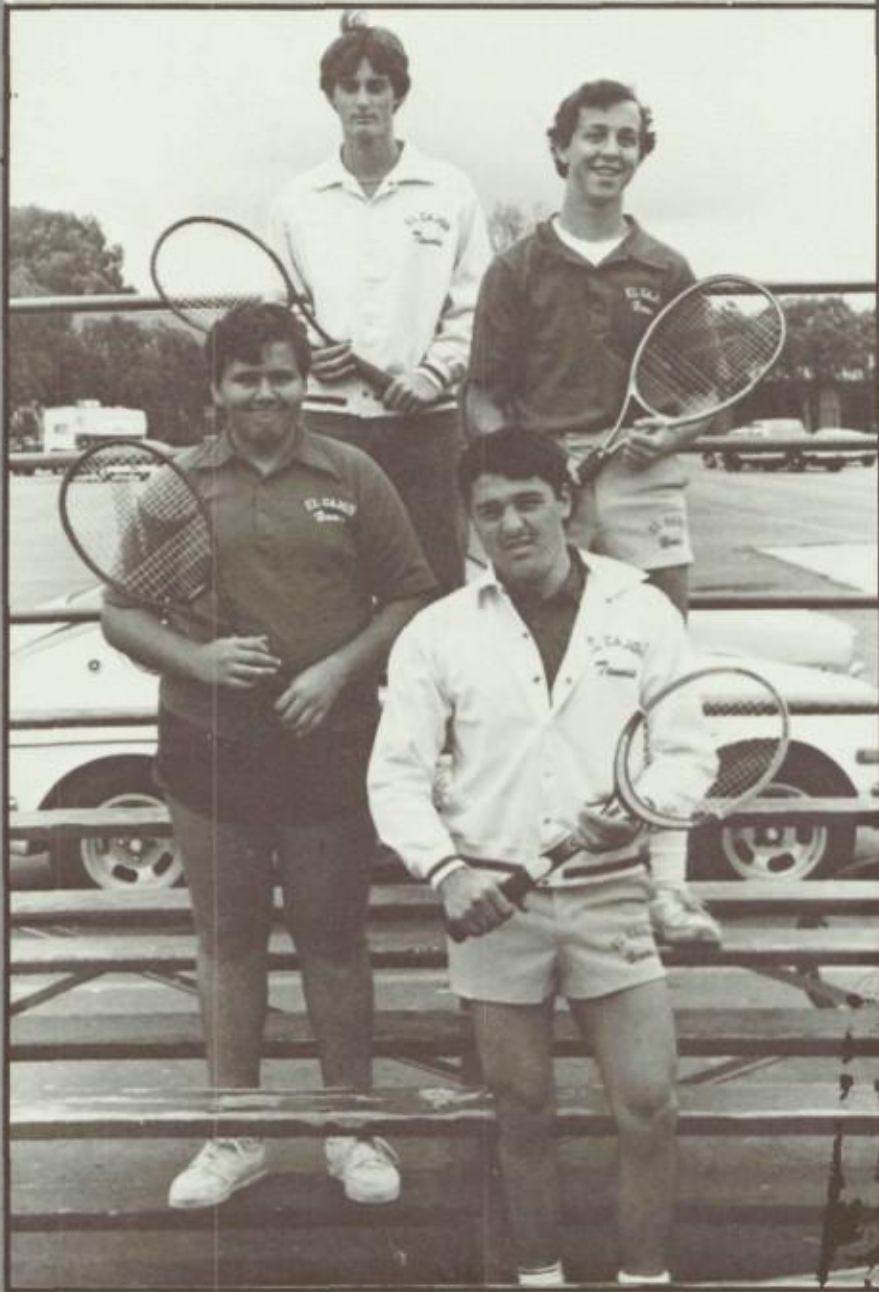

The strength and competitiveness of the 1985-86 Girls' Soccer Team came as a happy surprise to E.C.V.H.S. With many returning players from last year, the improvements were clearly seen. The ability to fight strong proved to be their most important quality, and brought them many victories. They struggled to earn a reputation as a hard-working team in the league, and achieved this early in the season. The goals of any team are to be competitive and successful, and this year the Girls' Soccer Team fulfilled these goals with pride.

Administrations

Mr. Ben Amodor

Mr. Frank Cole

Supportive, hardworking, and caring all described our 1985-86 administration. Under the direction of Mr. Art Pegas many changes were brought about this year. They put much effort into the improvement of CAP scores, rearranged the counseling system to better serve the students, and improved the supervision of school grounds to keep them cleaner.

An important addition to the administrative staff was Mrs. Terrie Pennock, administrative coordinator, sharing responsibilities with Vice Principals Mr. Ben Amodor and Mr. Frank Cole.

Mrs. Terrie Pennock

Mr. Art Pegas

BREAKING AWAY

"El Cajon Valley High School has a long and proud history. I am happy to have been a part of that history. Although the buildings, classes, activities, and most importantly, the students and teachers have changed through the years, ECVHS has remained an integral whole, a solid part of the community. The greatest change that I have noticed is that school no longer seems to be the focal point of student interest. In the early years when ECVHS hosted an athletic event, the stands were packed with cheering students, win or lose. There was a waiting list to march in the band, the drama department always played to a full house, student government and class offices never lacked a full election slate. It will be that way again when enough students are willing to become involved and make El Cajon Valley High one of the best schools in the San Diego area. High school years pass quickly so enjoy them while you can!

As I leave the Home of the Braves, I would like to say, 'Thanks for all the good years and best wishes to ECVHS in the future!'

-Bonnie Adams

"The excitement, friendship, confusion, and even the noise of 150 students a day has made the past 21 years at El Cajon Valley High School very special to me.

The friendliness and cooperation of the faculty has made this school a pleasant place to work. The memories of so many 'super near' people I have known as students and fellow educators will always be with me as I pursue a different way of life. School has been tremendously important to me for the past 60 years. I had my mother for my first grade teacher, my husband was a school administrator in this area, and I now have two children who are teachers.

I hope that I have given my students useful information and techniques which will enrich their lives.

I will miss you all very much!"

-Barbara Pruyne

"I have served four schools in this district, and I have had wonderful experiences in all of them. But, I would take E.C.V.H.S. over all of them for very simple reasons. At E.C.V. I have had the very best relationships with students. At this school, I have gloried in the respect and camaraderie of fellow teachers and administrators, and I have treasured the relationship with an outstanding classified staff.

In short, my heart has been and always will be with El-Cajon Valley High. You people, all of you, have made a very large measure of my life have real meaning. Leaving my 'home' will not be easy, but I truly thank God I was given the honor to be here!"

-James Peace

"After having taught French and Spanish for many years, I became the teacher for a contract-individualized program begun at ECVHS for the 1971-72 school year.

More than 2000 students have been enrolled in the Alternative Program since that time. Many seniors graduate because they earn credits in the Alternative Program due to regular schedule conflicts. Some students work in the morning, therefore, attend afternoon classes after the regular classes. Out of state students transfer into Latin, Sociology, World History I, and other courses they were previously in because those courses are not offered as part of the regular curriculum. Other students transfer in any time during the semester for various reasons including excessive tardies and absences, truancy, and discipline problems.

Most students are mainstreamed back to regular classes at the end of the semester. I firmly believe that the Alternative Program is a valuable asset to the students of ECVHS."

- John Malovic

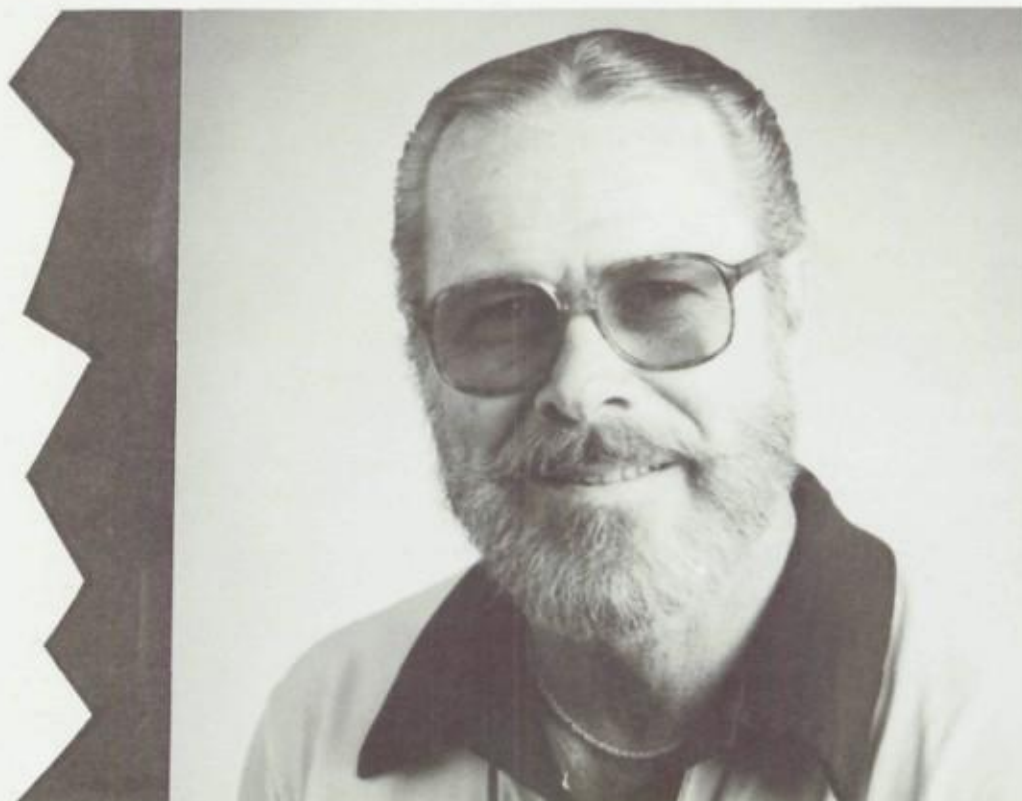

"ECVHS has been the center of my life for 28 years. As I look back and think about the many families and their children, as well as my own, that have passed through this school, I know that they have been rewarded with quality schooling and have been associated with quality people.

I'm proud to have been one of the Brave tribe. I have seen many chiefs and many warriors pass through our lodge house and I've noticed that a positive impetus toward acquiring knowledge in order to cope with life has always been prevalent. I feel fortunate to have been chosen to spend my working years at this institution.

It's time to move on. It's time to reap the rewards and savor the memories of many gratifying years of working with young people at ECVHS.

Thank you all and best wishes in your constant search for excellence!"

-Harry Elliott

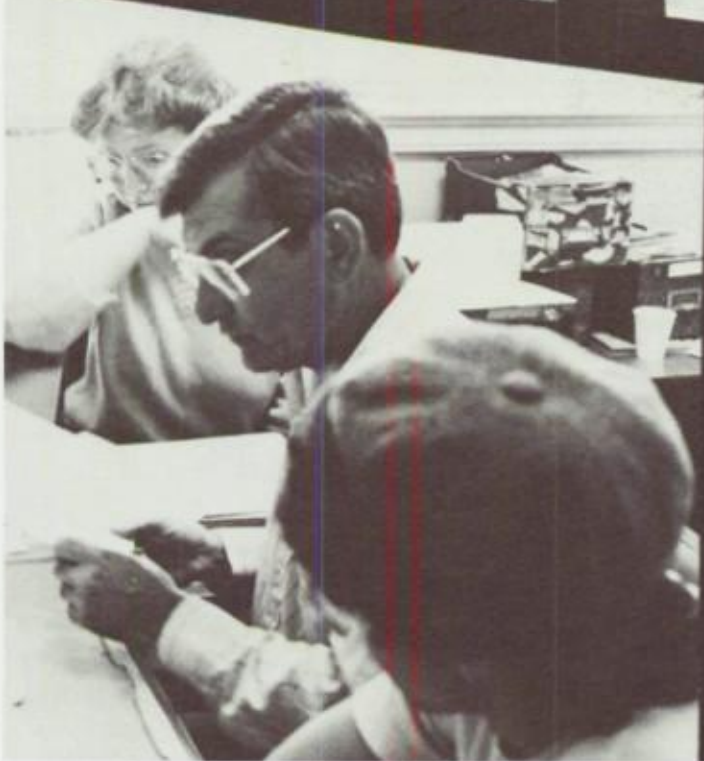

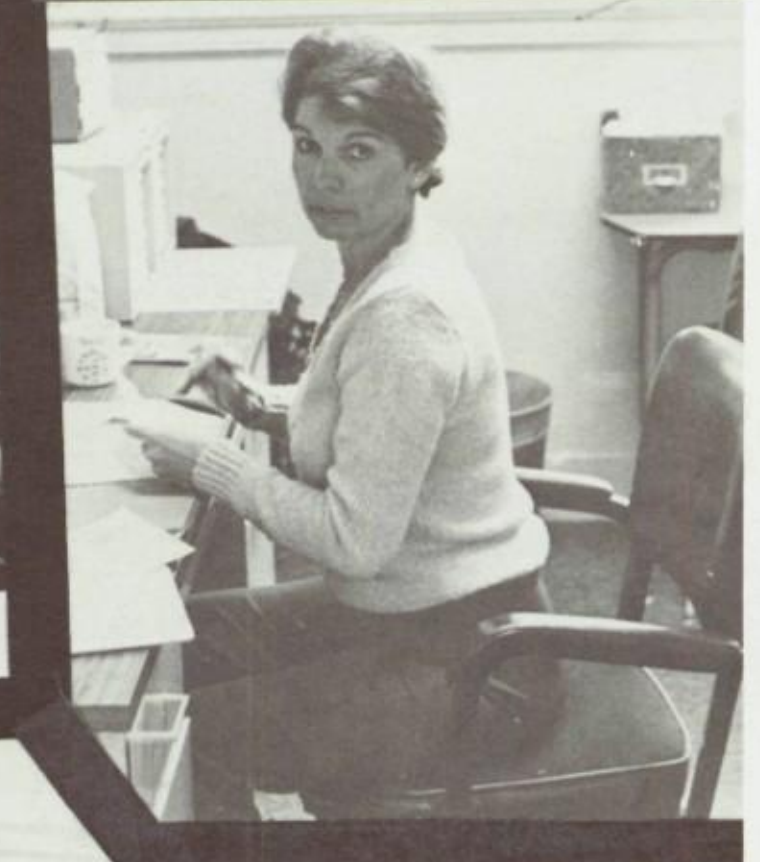

The Guiding Light

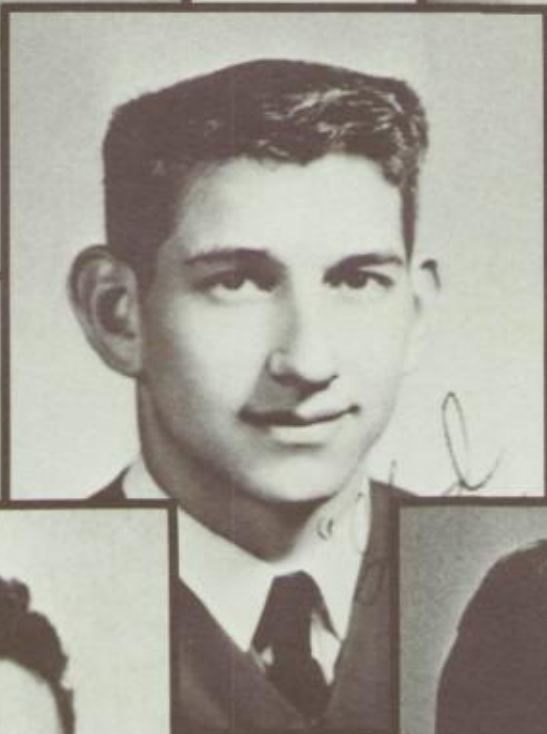

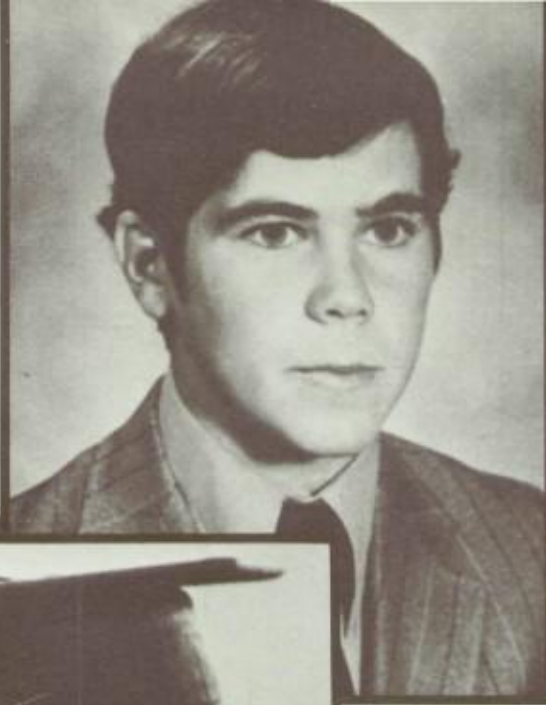

Left to Right; Don Halre, Donna Richards, Herb Gross

The coming of the new school year brought with it new counselor assignments. With the retirement of two counselors last year, the guidance department was reorganized. All the counselors this year took on the responsibility of helping the seniors, as well as working with students of the 9th, 10th, and 11th grade levels. Assisting the counselors with all their work were the Guidance Information Specialists (G.I.S.). Everyone in the counseling department worked very hard in helping the students make decisions that will guide them to the future.

For many ECVHS students, the teachers played an important part in their education with their enthusiasm, dedication, and motivation. The staff provided an excellent atmosphere in which students were given a chance to excel and succeed. These pages are for those people who have given up so much of their time for the achievement of the students' goals.

Once again, ECVHS students witnessed a drastic "change" in our usually calm and collected faculty members. The cause . . . Faculty Follies. Each year dedicated staff members devote many hours of their time to put together skits, dances, and comedy acts for a show to raise money for student scholarships. Faculty Follies was presented March 13, 14, and 15 in the Little Theatre. The show, which consisted of a play, followed by comedies, skits, and songs was a great success both artistically and financially. Students not only received two and a half hours of entertainment but also the promise of future scholarships.

Mel! I hope one day you'll have a computer, a super computer! Tell them a great summer! See you in a jiffy!

Special

Education

One of the most rewarding experiences that ECVHS offers is special education. The students there are taught to develop language, physical education, independent living, and prevocational skills. The dedicated staff performs a great service to the community in teaching their students to become well-adjusted functional members of society.

Students Who Excel

Debbie Marshall-Social Science: "Debbie is a perceptive student who excels in both written work and classroom discussion. She is quietly efficient, and is an effective member of her class."

Bach Nga Nguyen-English: "Bach-Nga's success in four years of honors English and in three years of journalism is evident in her straight-A grades. She analyzes literature perceptively, she writes maturely, and she speaks convincingly."

Hau Tien Tan-Art: "Hau is an advanced photo student. Hau's work is beyond the scrap book type of work- his work is artistic, crisp, and original. Quality is what Hau strives for and usually achieves."

Karen Lao- Science: "Karen Lao has an excellent attitude and top grades in science. Her effort is outstanding."

Lawrence Caire-Boys' P.E.: Lawrence is a very good example of an outstanding student of physical education. Working hard every day, he leads the way for the rest of his class. His attendance is perfect."

Frank Daugherry-Math: "Frank has taken the most advanced math courses. He is participating on the math team and scoring very well."

Janerre Miller-Girls' P.E.: Janerre has been an excellent example of enthusiasm and effort for the students in her class. She obviously enjoys activity and works hard to achieve success for her teams. Her good sportsmanship has been a joy to behold!"

Cheri Schulze-Home Economics: "Cheri is a very conscientious student with a happy smile and cheerful chatter. She is one of the people who, when asked to do something, will do it well without someone checking the progress."

Melissa Strayton-Performing Arts: "Melissa was chosen for her numerous contributions throughout her four years at ECVHS. She took part in the Drill Team for four years, three of which she was Captain. She was also involved in the production of many plays such as "Once Upon a Mattress" and "Vanities '85 & '86."

Suzette Kenslow-Business Education: Suzette has completed every class offered by the business department with an A, and has aided in two business classes for no credit. She has earned 55 credits in business, and is an outstanding example for other business students."

Allyson Gunkel-Foreign Language: "Allyson is a challenging A student in both second year German, and third year Spanish. She plans to continue both languages in college."

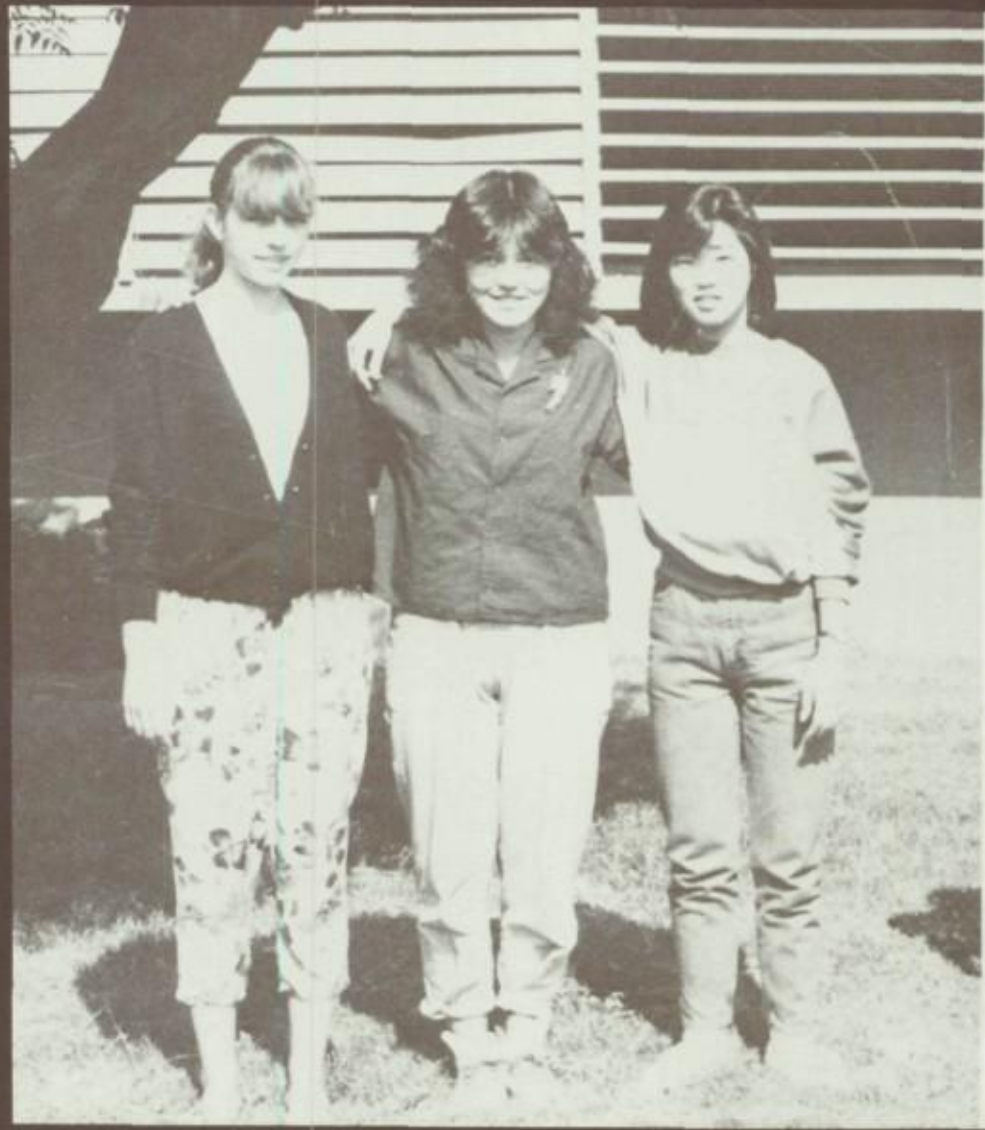

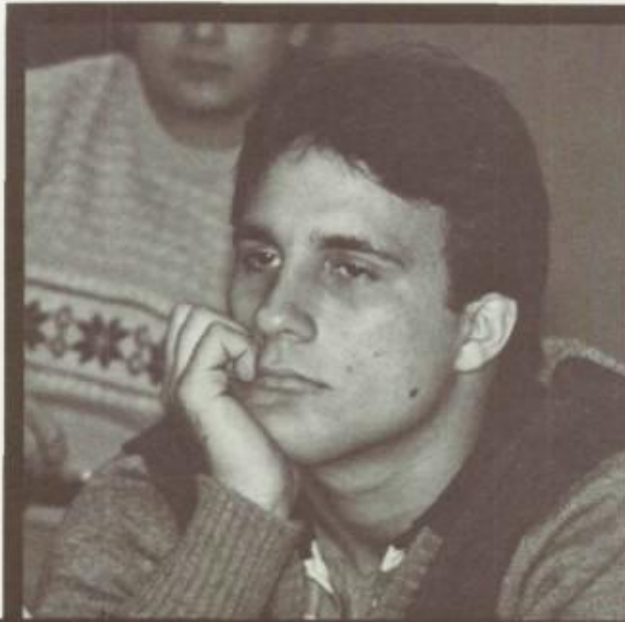

Jose Luna-Industrial Arts: "Jose Luna is an excellent, cooperative student in industrial arts. He has taken courses in several areas of the department and has excelled in all of them."

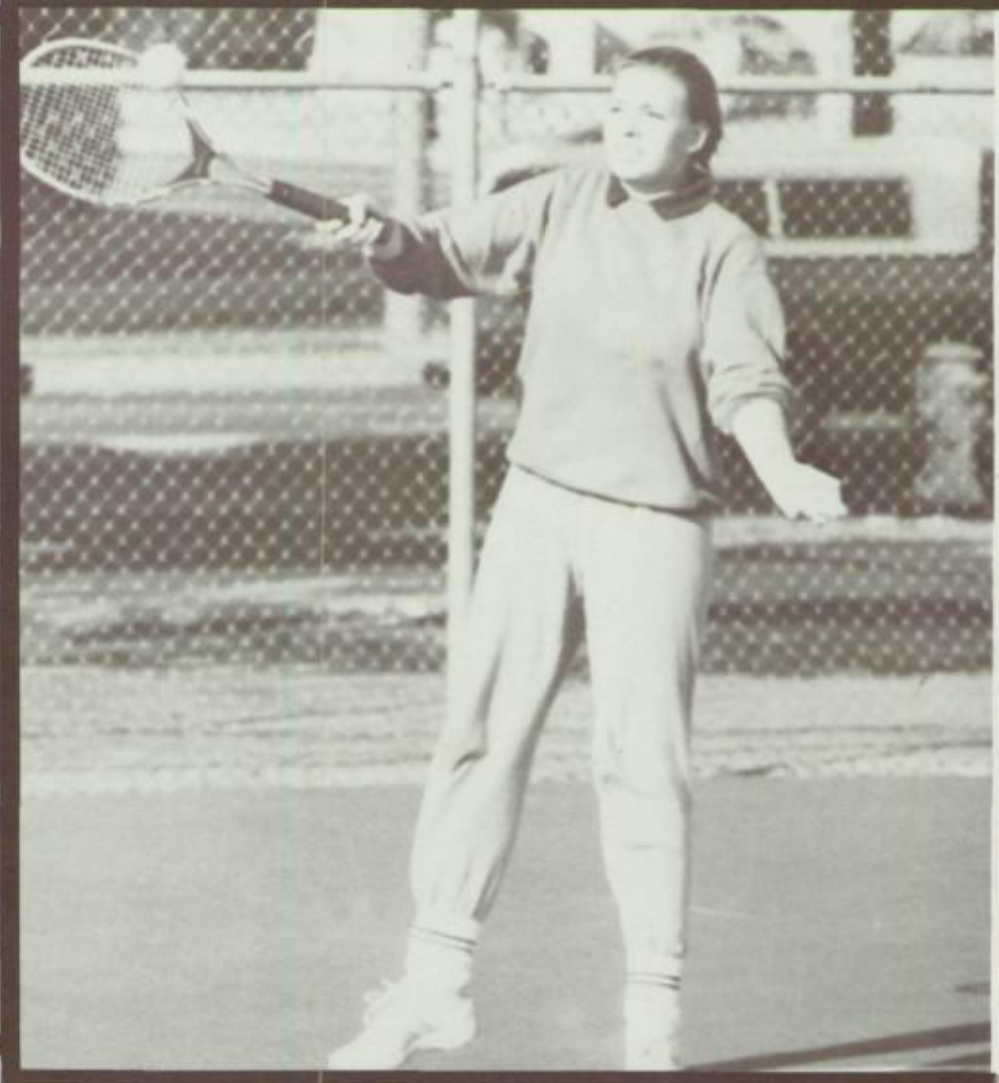

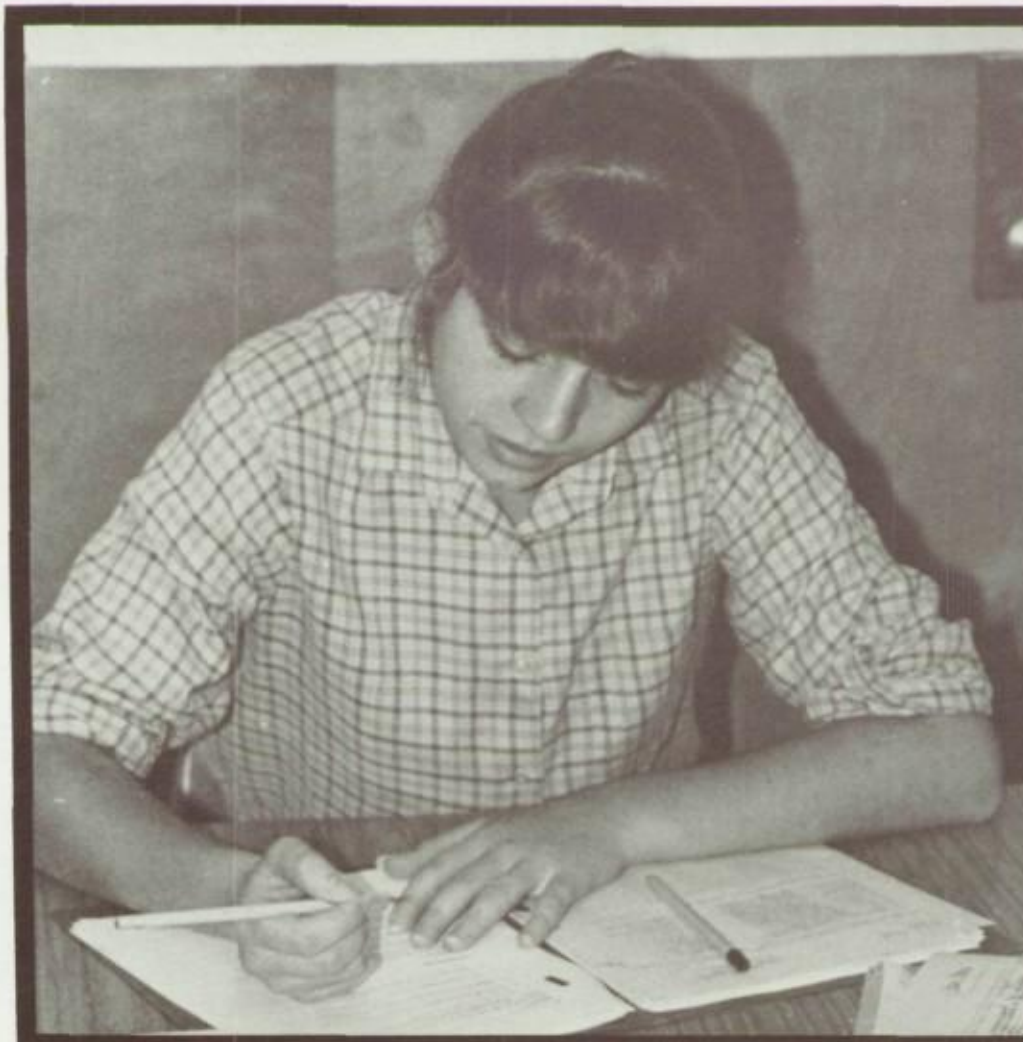

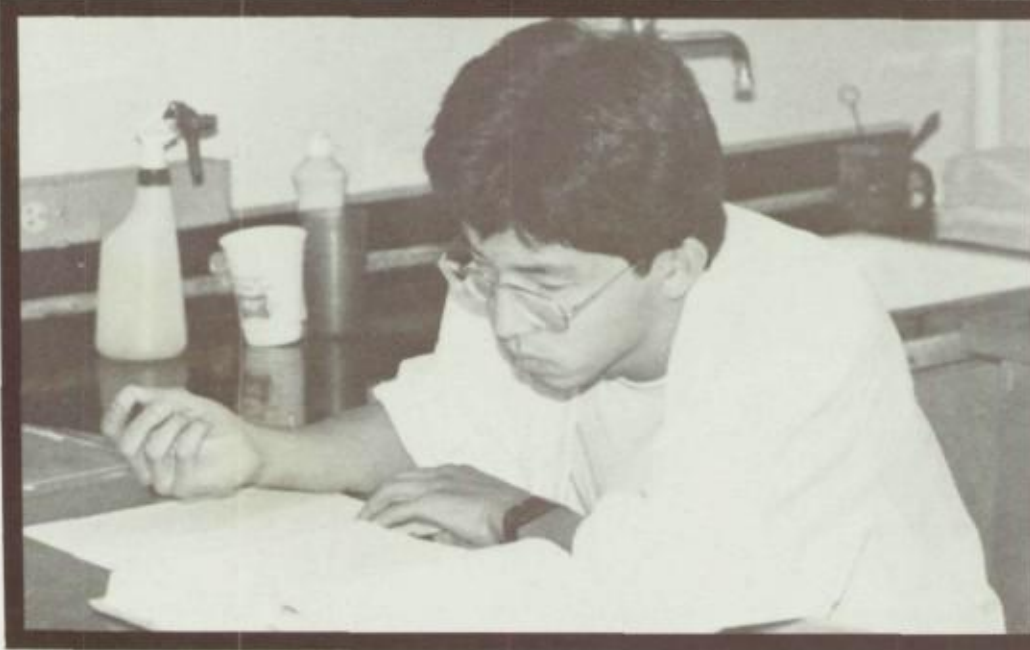

Kathy Goodarzi-Bilingual: "Kathy shows extraordinary effort in her service to the bilingual department. She has an excellent grade point average."

Foreign Exchange

Editors' Farewell

We're going out in style! From unstylish freshmen to sophisticated seniors, we're a little closer to our own style.

Looking back at the year and at ourselves, we've seen changes in our attitudes, tastes and ideas. These years have shown themselves to be trying and yet gratifying. Some say high school is the best time of our lives though many of us question this. What lies ahead of us may well be measured from the past four years. Nevertheless we've reached the end of our adolescent years and must face adulthood and responsibility.

The facts we could have learned at any school. What we felt and encountered only could have happened at El Cajon Valley High. Many of our friends and some special teachers are here. They helped us through this, the most difficult part of growing up, and made us better people for it. We learned to share it all, the good times, the bad ones, the hopes and the failures. For many of us, friends were the only reason that kept us going, supporting us and enduring our troubles. We cried a little and hopefully we laughed a little more. The friends and teachers made the work, long hours and boredom worth the effort, and we in turn, did the same for them.

This book was made to recall the school year of '85-'86, all of the high points and pitfalls. It holds memories for departing seniors and for the underclassmen, who, if they don't understand our feelings now, will when they are ready to leave.

Sincerely,

Maria
ε

Hey Mike
I've had you
in two classes
the last two years,
you made the classes
fun. (I think you're a
total of about \$1000 worth of
sandy bars all year in History,
you should put down to at least
\$500 worth). You're a real good guy.
